

Employee and Union Member Guide to Labor Law

By National Lawyers Guild, Labor & Employment Committee

This set reviews significant areas of labor law.

Offering labor's perspective on significant areas of labor law, *Employee and Union Member Guide to Labor Law* provides proven strategies for labor activists, as well as the text of major federal statutes. It includes approximately 500 pages dealing with the Americans with Disabilities Act, the Rehabilitation Act, and relevant case law, as well as other federal employment discrimination laws.

This three-volume set covers:

- Opposing discriminatory discharges
- The right to strike and other forms of economic action
- The rights of construction workers
- The WARN Act
- Representing unions and employees in bankruptcy cases
- Pensions and other employee benefits
- Job restructuring as a reasonable accommodation
- And more

Employee and Union Member Guide to Labor Law

Valuable Asset for Attorneys and Unions

This 3-volume treatise covers topics as diverse as the ADA, the FLSA, ERISA, bankruptcy, and whistleblowers' rights, as well as bread-and-butter labor law issues, such as the right to strike and the duty to bargain. The Guild has always prided itself on producing a manual for activists: we not only approach the issues as would lawyers for unions and employees, but we also focus on those strategies and tactics that have proven to be useful in defending workers' rights.

Everyone reading this message should own this treatise. You simply cannot find this scope of coverage, with its focus on workers' rights, anywhere else.

Attorneys Needed to Update Chapters

We currently need people to keep the following chapters up-to-date: Chapter 2: Opposing Discriminatory Discharges and Chapter 9: Pensions and Other Employee Benefits.

Contact editor Elise Gautier at elise.gautier@comcast.net. Authors are expected to update their chapters once a year, by either early January or July. We submit two sets of updates per year. Not only will we be eternally grateful for your help, but those who make significant contributions to the treatise will receive a complimentary copy of it and the updates for as long as they continue contributing.

Purchase the 3-volume treatise at Thomson/West—<http://legalsolutions.thomsonreuters.com/>—enter "employee" and "union" in the product search box or call 1-888-728-7677. The NLG Labor & Employment Committee receives a percentage of the royalties.
