

BRANDWORKERS INTERNATIONAL is a nonprofit organization protecting and advancing the rights of retail and food employees. We provide workers with organizing tools and community resources to win fairness at work and challenge corporate misconduct in the community.

BRANDWORKERS OPERATES IN THREE AREAS:

THE FOCUS ON THE FOOD CHAIN initiative organizes immigrant food processing workers in Brooklyn and Queens to challenge sweatshop conditions and develop as social change leaders.

LEGAL DEFENSE - PLUS provides legal rights information for retail and food workers and connects workers with one of the 300-plus attorneys who have joined the Brandworkers network of lawyers.

BRANDWORKERS.ORG provides breaking news and analysis on workplace issues in the retail and food sectors and mobilizes citizen action for economic justice.
