Under Continuing Legal Education regulations, CLE credit will be offered only to those attorneys completing entire sessions; attorneys attending only part of a session are not eligible for partial credit for a session. Attorneys arriving late are welcome to attend the program but will not be eligible for CLE credit. Attorneys wishing to receive CLE credit must sign in the program's attendance register prior to and following the CLE program; once a speaker begins the program, sign-in sheets will be removed. Similarly, attorneys leaving the session early are ineligible for credit.
